Y90 Robotic Pool Skimmer

Product Specifications
产品参数

额定功率	Rated Power	13 W
额定电压	Rated Voltage	7.2 V
充电方式	Charging Method	Solar Powered/10W & Adaptor
电池容量	Battery Capacity	5100 mAh
充电时长	Charging Time	5-6h (Solar), 3h Charger
马达数量	Motor	3; Drive*2 & Stepper*1
智能避障	Obstacle Avoidance Sensors	2 Sensor(Bottom)
滤篮容量	Filter Basket Capacity	5.5 L
过滤精度	Filtration Spec	180μm Fine Filter Basket
控制方式	App/Remote Control	Remote Control (Y90P: APP)
彩盒尺寸	Package Size	440*329*199mm
彩盒重量	Package Weight(NW/GW)	2.8kg/3.9 kg
外箱尺寸	Carton Size	585*450*350 mm
外箱重量	Carton Weight(NW/GW)	9kg/12.7kg
装箱数量	Loading QTY(3 in 1)	20GP: 960PCS / 40HQ: 2040 PCS

Key Features

- **Revolutionary Square Obstacle Avoidance:** Dual-sensor navigation paired with unique square design provides unmatched obstacle avoidance precision.

- **Triple Motor Power:** Ensures thorough, automated coverage with 99.99% cleaning efficiency through powerful suction and optimized route planning.

- **Efficient Filtration (5.5L Debris Basket):** Advanced 180μm fine-mesh filter captures even small debris, significantly reducing cleaning frequency.

- **Powerful Yet Compact:** Offers outstanding cleaning performance in a small, flexible design, redefining traditional expectations without unnecessary bulk.

- **Intelligent Path Planning:** Efficient line-by-line cleaning for complete pool coverage.

Solar Powered Robotic Pool Skimmer
Easy in Every Way
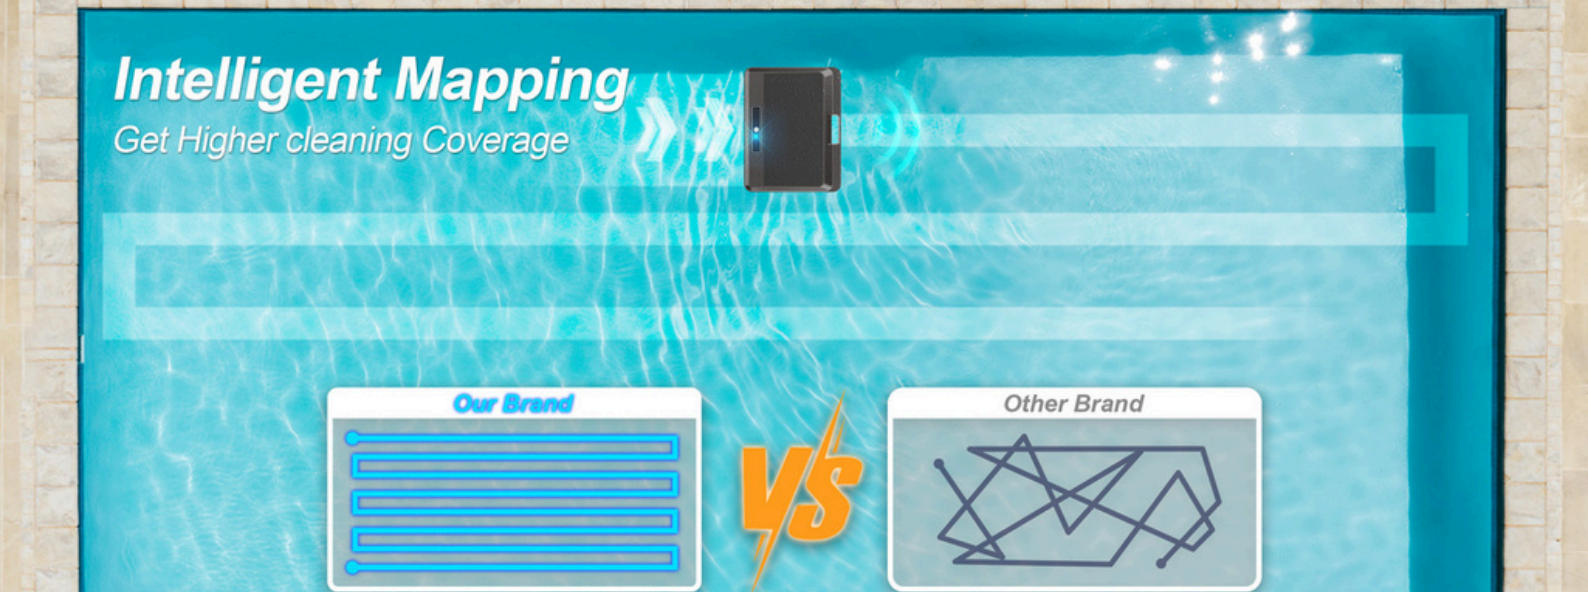

Dual charging options

Type-C

Smart Ultrasonic Radar obstacle Avoidance
No More Being Stuck in Place

## Intelligent Mapping
Get Higher cleaning Coverage

Our Brand   VS   Other Brand

Prevent Your Robotic from getting stuck at the skimmer

Foam pool noodle   Circular foam piece   Chlorine plate holder

Newly upgraded solar charging
Provide continuous work and maintain optimal cleaning results

Anti-Uv Material

Circular cleaning
Make your pool cleaning easier and more thorough

Self-Parking Technology
Automatically park aside the pool wall in low battery capacity

Perfect for All Types of Pools

Rectangle Pool

Round Pool
